Key facts

Key vendors: Deeside Golf Club
Site: Deeside Golf Club
Sector: Commercial
Client: Deeside Golf Club
Contractor: Barratt Construction Ltd

- Good sustainable products
- High quality finish
- Structurally strong product

Brief

To provide an aesthetically pleasing masonry walling unit which will meet the aesthetic and structural needs of this type of application. Achieve empathy with silver granite colour with a clean sharp appearance using a sustainable product to reduce the impact on our environment.

Solution

Fyfestone masonry in a split face was chosen as the preferred finish for this new clubhouse project, in Aberdeen. The product is part of the Fyfestone Enviromasonry range.
