

Case study

Holburn Office Development

Key facts

Key vendors: Talisman HQ Building
Site: Talisman HQ Building
Sector: Commercial
Client: Talisman HQ Building
Contractor: The Robertson Group

Brief

To provide an aesthetically pleasing masonry walling unit which will meet the aesthetic and structural needs of this type of application. Achieve empathy with silver granite colour with a clean sharp appearance using a tooled finished masonry unit.

Solution

Fyfestone masonry with a tooled face and split face was chosen as the preferred finishes. The larger sized tooled product provide empathy with a flame textured granite block appearance.
