

Case study

Housing in Kintore

Key facts

Key vendors: Country Life Estates
Site: Country Life Estates
Sector: Housing / apartments
Client: Country Life Estates
Contractor: Country Life Estates

Brief

To provide an aesthetically pleasing masonry walling unit which will meet the aesthetic and structural needs of this type of housing application and empathy in appearance to reclaimed stone of the area.

Solution

Fyfestone wet pressed masonry in a bagged rubbed tumbled finish was chosen as the superior aspects of high strength, high density and very low porosity will ensure the whole life performance benefit. The bag rubbing of the mortar joints achieved the desired effect of a reclaimed stone look.
