Client: Education Authority

Contractor: Willmott Dixon

- Aesthetically pleasing
- Matches local stone
- Multiple finishes available to best match the requirements

Brief

To provide an aesthetically pleasing masonry walling unit which will meet the aesthetic and structural needs of this type of application. To achieve empathy with the local stone colour of this area and to achieve a rustic weathered appearance.

Solution

Fyfestone masonry with a tumbled finish was chosen as the preferred finish for this new Primary School at Garforth in Leeds. The particular blend of buff and grey colours helped to achieve the required appearance in the tumbled masonry.
