

Photography Consent form

for use of Photographs in the Leicestershire Through A Lens competition

Aggregate Industries is committed to the protection of privacy, of children and vulnerable adults involved in its events.

Where possible we will not permit photographs, film, video or other images of children or vulnerable adults to be taken or used without the consent of the child/vulnerable adult and their parents/guardians or carers.

We may send information about our organisation, including photographs where appropriate, to the news media, including local press. We may also use consented images on our website which can be viewed throughout the world, not just in the United Kingdom where UK law applies. Aggregate Industries will take all reasonable measures to ensure these images are used solely for the purposes for which they are intended. If you become aware these images are being used inappropriately you should inform us immediately.

Aggregate Industries reserves the right at all times to prohibit the use of photography, film or video at any activity with which it is associated.
